

Smart parking management for commercial properties.

A convenient solution for the modern commercial properties to provide all in one management service covering enforcement, payment collection and maintenance.

SECURITY AND ENFORCEMENT:

- Enhance security with our enforcement team checks for unauthorized vehicles around the clock
- Penalize unauthorized vehicles and free up spaces for tenants and customers

CONVENIENCE:

- Ability to manage parking lot operations from our online dashboard
- Regularly scheduled parking lot maintenance and cleanliness

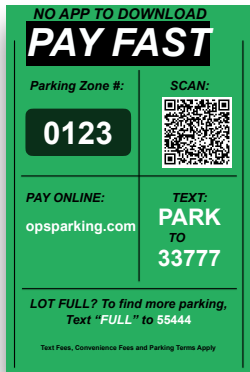

AFFORDABILITY:

- No start up costs
- Ongoing maintenance and Enforcement are taken care of at no costs to our partners
- Increase Net Operating Income by selling empty parking spaces
